Project Details

A. Please describe the site currently

e.g. a small area of agriculturally improved grassland, an arable field boundary, etc

Please provide a brief description of what you want the tree planting project to achieve.

i.e: Details in terms of landscape, conservation or amenity gain, etc. For example: 'A mix of Crab apple and Field maple trees will be planted around the farm in field corners as long-term wildlife habitat, connecting into existing hedgerows. Fruit trees will be planted within the school grounds as an amenity resource, connecting two small areas of mature trees.'

NOTES ON COMPLETION

Please ensure you have completed the application form properly. Failure to complete the application form in an acceptable manner with all relevant information may necessitate a resubmission and delay your application being processed.

COMPLIANCE CHECKS

It is the applicant's responsibility to check that there are no planning (or other) restrictions on the ground being planted (such as felling licences or existing grant conditions such as SRDP) and that services are not being affected. Such service restrictions could include: Water, Drainage, Electricity, Telephone, Gas, Roadway sight lines, Archaeology and any existing Planning conditions.

TERMS AND CONDITIONS

I hereby apply to the Dumfries & Galloway Tree Planting Grant for assistance to carry out the work described in this application. I am aware that:

- The project is supported by Scottish Forestry, Woodland Trust Scotland, National Lottery Heritage Fund, Dumfries & Galloway Council and private donations. Any publicity about the project will acknowledge this.
- Any work connected with this application, must not be started until I have received a written offer of financial assistance from D&G Woodlands.
- Work must be completed by the deadline set out in the offer letter.
- All work must be completed to an acceptable standard as determined by the Dumfries & Galloway Tree Planting Grant Steering Group (and I have read the grant guidance).
- I will be responsible for subsequent maintenance of the works for at least 5 years and that I will keep all correspondence and records for 5 years after the planting work is completed.
- Before receiving any payment from the grant scheme, I must supply the completed (pro –forma) claim form, detailing exactly the work I have carried out and the costs involved. This claim form must be supported with the relevant copy invoices from suppliers and contractors showing expenditure. Photographs of completed tree planting sites will also be required.
- I understand that failure to comply with any of the above terms and conditions may render my application invalid and that the funding bodies reserve the right to withhold any monies which were previously offered.
- I agree to make the site available for occasional organised audit visits and ‘education or demonstration’ visits by prior arrangement.
- I declare that to the best of my knowledge, the information which I have supplied in this application form is accurate and correct.
